

## eto SELF-SERVICE PORTAL

### ENGAGE WITH YOUR CLIENTS IN A WHOLE NEW WAY

ETO's Self-Service Portal is a mobile-friendly, easy-to-access platform that allows program participants to apply for services, make updates to select information, engage with your team, and gain a deeper understanding of their progress through your organization's programs. The Portal was designed to alleviate some of the administrative workload from your day-to-day operations and give participants increased access to services and insight into their development.

### IMPROVE ENGAGEMENT

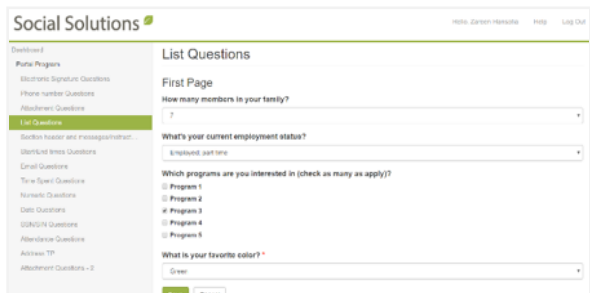

With ETO's Self-Service Portal, current participants can log in to supply your organization with information or review past TouchPoints at anytime, anywhere. Dashboard messages broadcasted to all Portal users keep your participants up to date on critical messages, key dates, and events. You can reach new participants with greater ease using Intake, our platform for new applicants.

### STREAMLINE PROCESSES

Empower participants to be an active part of the process by inviting them to complete steps such as supplying personal information or completing assessments and feedback forms. Reach new participants by providing the flexibility to apply online for services with Intake. This helps staff save time on data collection and entry.
